

Enhanced Listings

Increase listing size and activity.

Here's how it works:

- 1 Select the listing you would like to advertise.
- 2 Our team of designers will build your ad to be 2X the size of a standard listing.
- 3 Your listing will be served to shoppers on the search results and browse pages with increased visibility.
- 4 Watch your clicks, listing views, connections and leads grow.

Accelerate Listing Performance

Get
2x the visibility of a
standard listing

On average
20% more listing views
per month
